2026

VUOKATTI SPORT

Ordering

Order training maps by email at

harjoitukset.vuokattijukola@gmail.com with the subject line ORDER. Orders must be placed at least five calendar days before pickup. Paid map orders can be collected by name at the Vuokatti Sport reception during opening hours.

Minimum order: 10 maps. €10 / map. Smaller quantities are available directly at the Vuokatti Sport reception during opening hours for €12 / map.

Payment

Bank transfer instructions will be sent by email in response to your order. A screenshot of the payment must be provided. Invoicing fee: €10; request this by email when placing your order.

Parking areas

[Map of parking areas](#)

1. Vaarankylä

VUOKATTI
2027

Available from

20 May 2026

Forking

Yes. Small control flags at the control points.

Training description

5 × 1.0 km – 1.5 km relay intervals

Course setter

Marko Uotila

Map

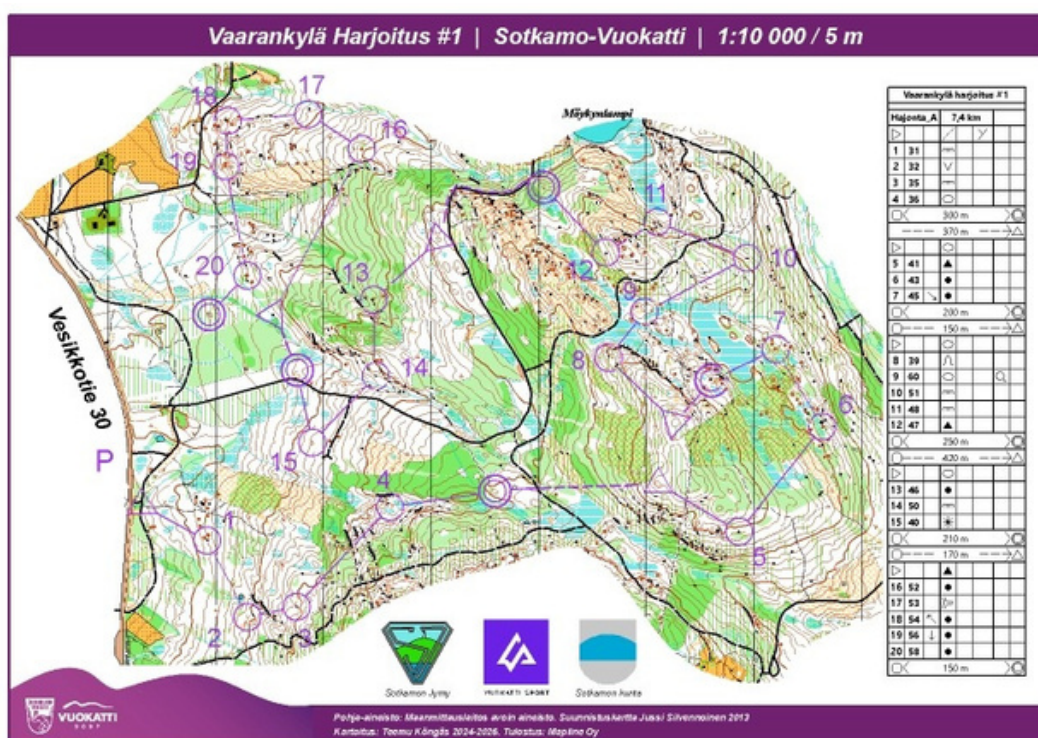

1:10,000, contour interval 5 m. Mapping: Jussi Silvennoinen 2013, Teemu Köngäs 2024–2026.

Terrain description

Vaara hill terrain with significant elevation differences. Old-growth forest mixed with dense young stands. Runnability varies, just as in Vuokatti-Jukola.

Parking

Vesikkotie 30, Sotkamo. Park along Vesikkotie or the forest road.

2. Porttivaara

VUOKATTI
2027

Available from

20 May 2026

Forking

Yes. Small control flags at the control points.

Training description

Relay training in varied vaara hill terrain

Course setter

Pekka Hyvönen

Map

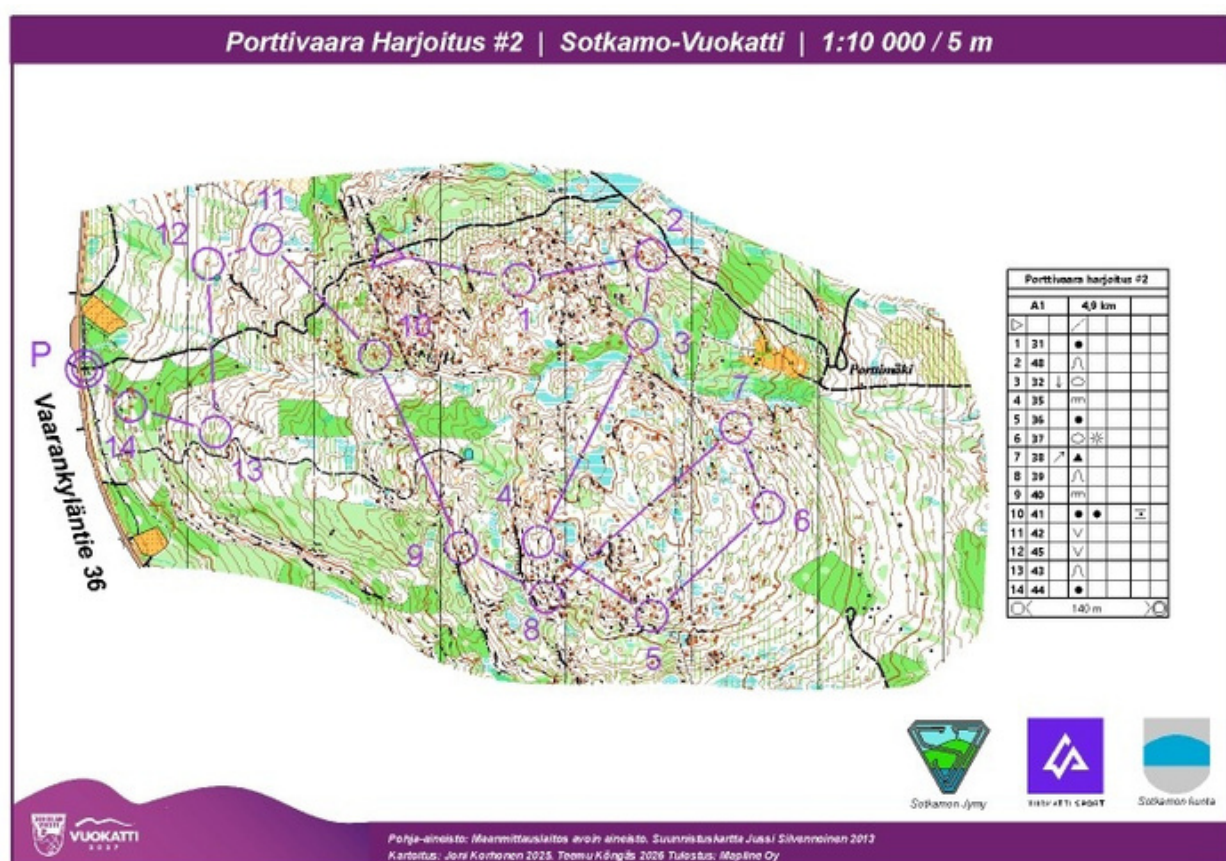

1:10,000, contour interval 5 m. Mapping: Jussi Silvennoinen 2013, Joni Korhonen 2024, Teemu Kõngäs 2026.

Terrain description

One of Finland's most legendary orienteering terrains. The area hosted, among other events, the qualification race for the 2013 WOC middle distance. Detailed slope areas with fine contour features. Mostly good runnability.

Parking

Vesikkotie 36. Park along Vesikkotie parking area.

3. Pöckelönperä

VUOKATTI
2027

Available from

20 May 2026

Forking

No. Small control flags at the controls.

Training description

Long-distance course, 8.2 km.

Course setter

Jarmo Puttonen

Map

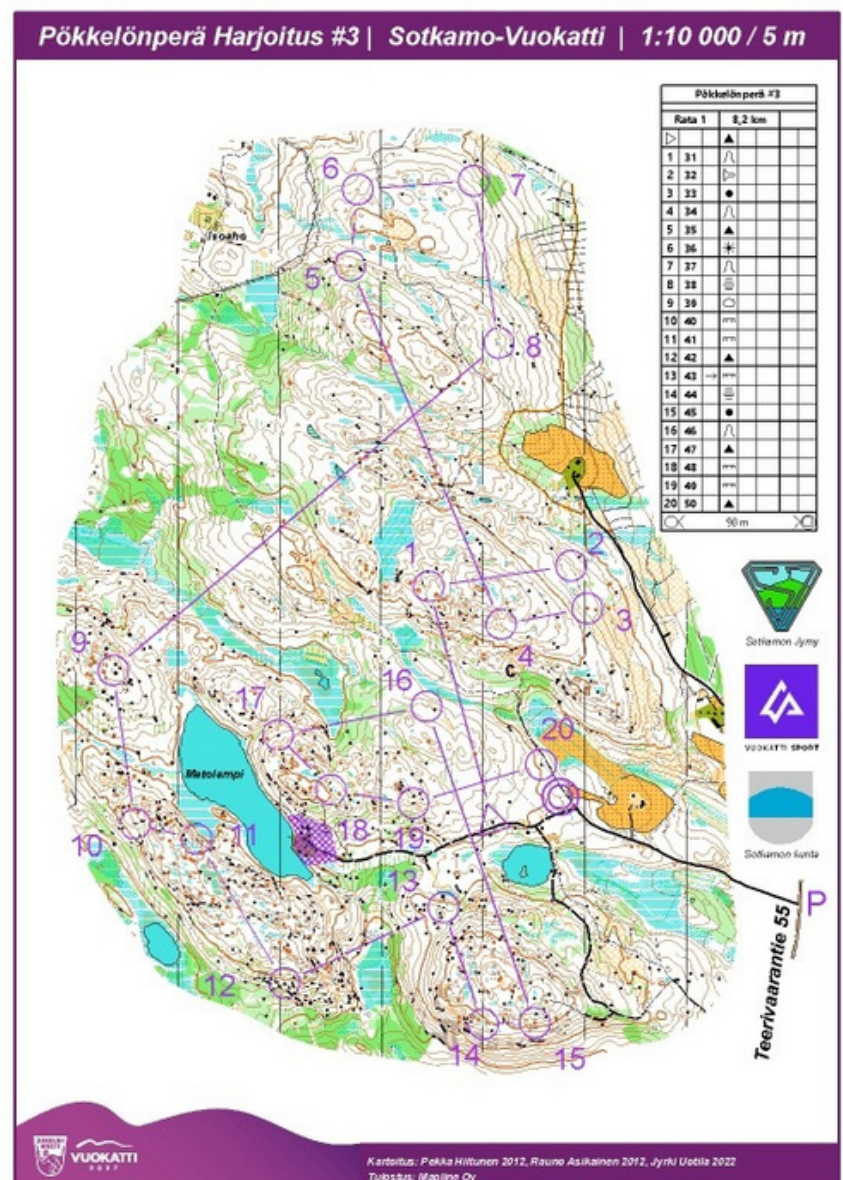

1:10,000, contour interval 5 m. Mapping: Pekka Hiltunen and Rauno Asikainen 2013, Jyrki Uotila 2022 and Teemu Köngäs 2025.

Terrain description

Varied hill terrain with several hill areas featuring detailed rocky sections and cliffs. Some slopes are more open. Runability is generally good.

Parking

Teerivaarantie 55. Park along Teerivaarantie. The start is 1.1 km away along the road.

4. Repolouhi

VUOKATTI
2027

Available from

20 May 2026

Forking

No. Small control flags at the controls.

Training description

Middle-distance course, 5.5 km.

Ratamestari

Teemu Kõngäs

Map

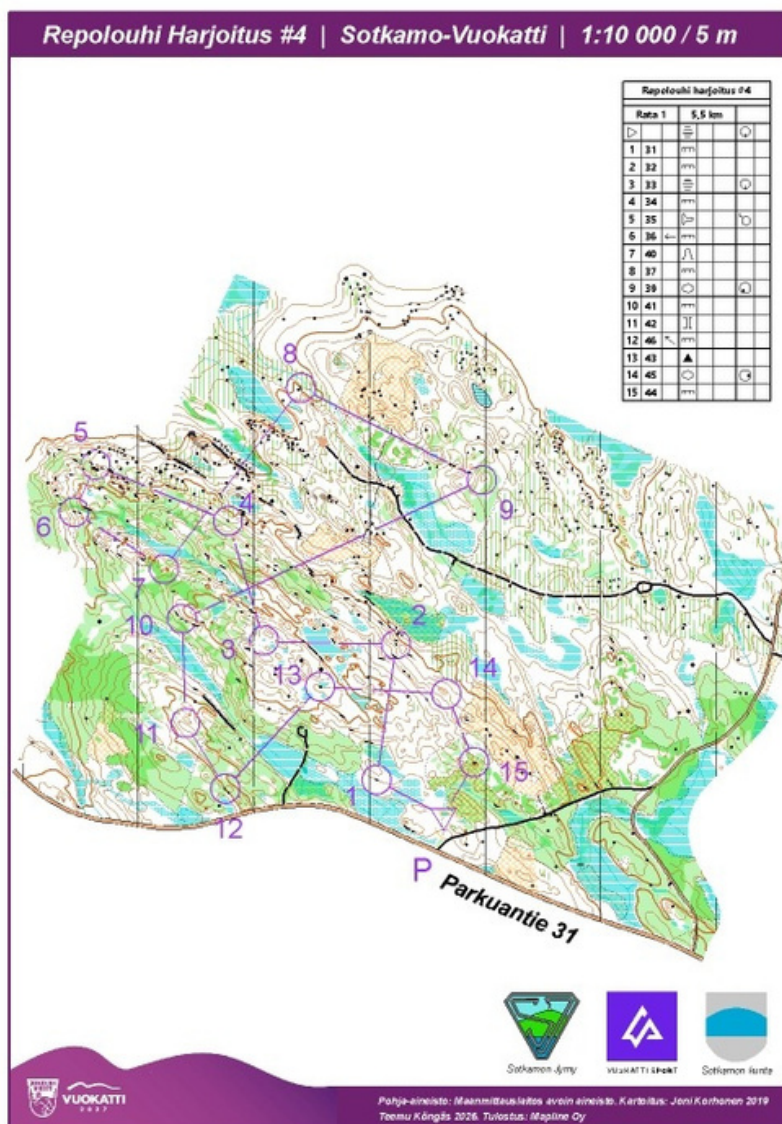

1:10,000, contour interval 5 m. Mapping: Joni Korhonen 2019 and Teemu Kõngäs 2026.

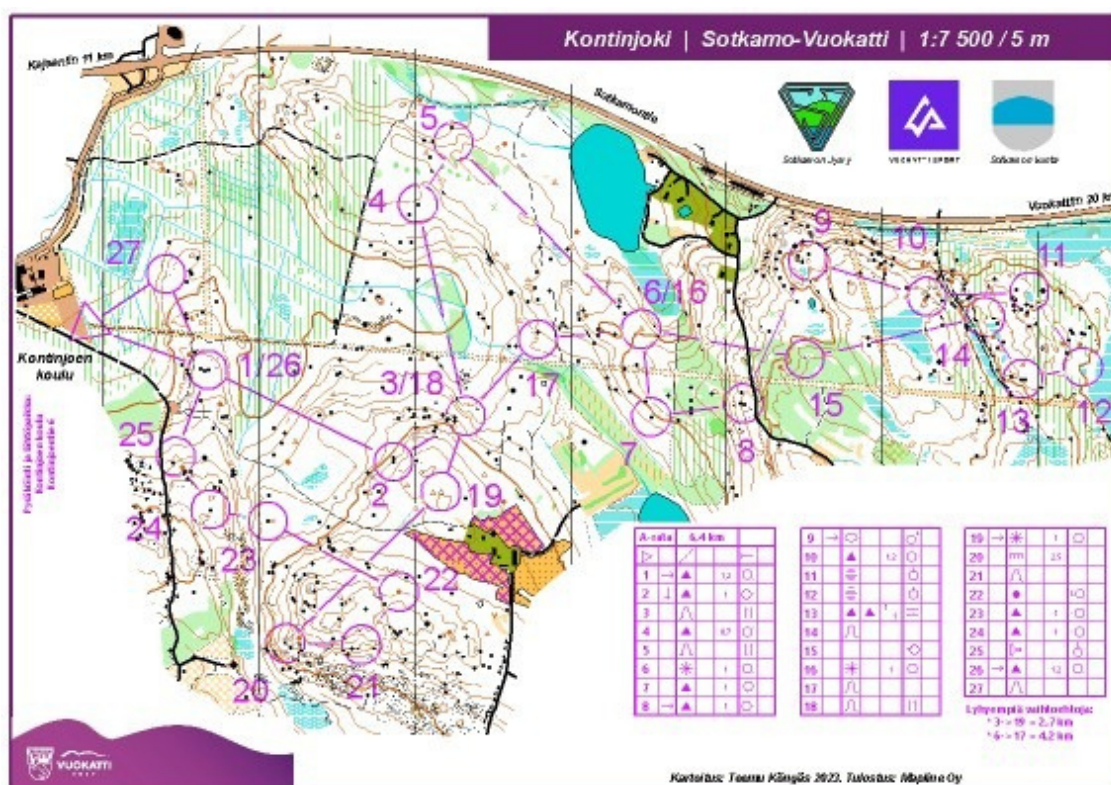

Terrain description

Slope and rocky terrain.
Some areas are very fast,
while others are slower
because of dense vegetation
and stony ground.

Parking

Parkuantie 31. Park along
Parkuantie or the forest road.
Do not obstruct vehicle
traffic on the forest road.

6. Huhtikangas

VUOKATTI
2027

Available from

26 June 2026

Forking

No. Small control flags at the controls.

Training description

Long-distance course in dry pine forest, 10.4 km.

Course setter

Loviisa Kämäräinen

Map

1:15,000, contour interval 5 m. Mapping: Joni Korhonen 2019–2026.

Terrain description

Fine, fast dry pine forest with elevation differences. The terrain type is completely different from the Vuokatti-Jukola terrain.

Parking

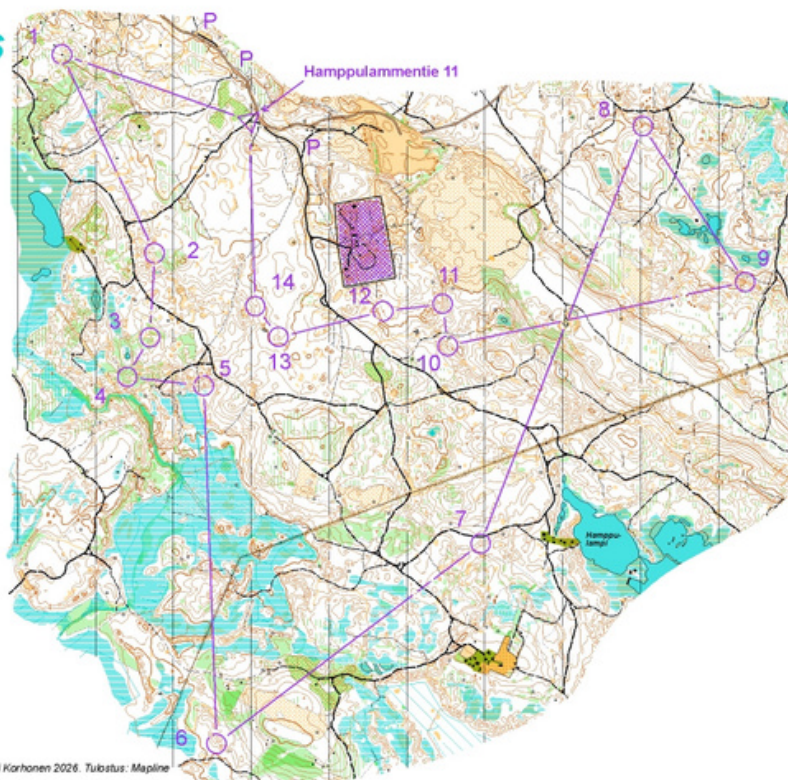

Hamppulammentie 11. Park along the forest road. Do not block access to the shooting range.

Huhtikangas

Sotkamo

1:15 000, käyräväli 5m

7. Tolhonvaara

VUOKATTI
2027

Available from

26 June 2026

Forking

No. Small control flags at the controls.

Training description

Slope orienteering, 5.4 km

Course setter

Teemu Kõngäs

Map

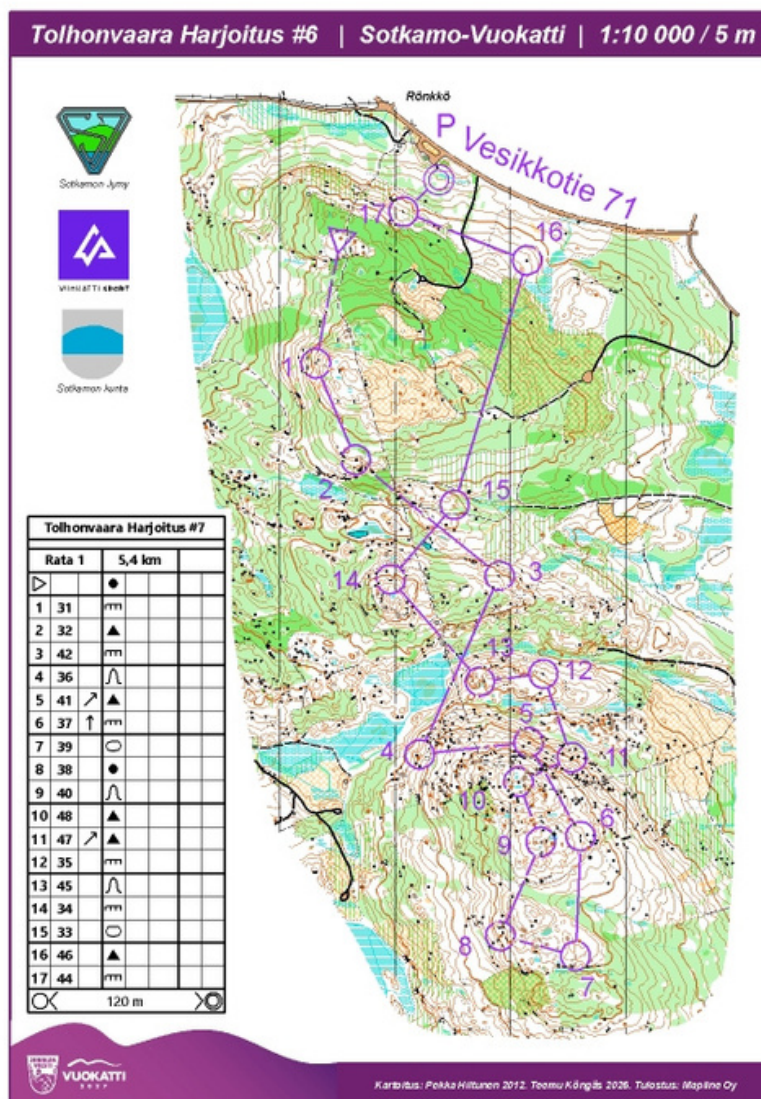

1:10,000, contour interval 5 m. Mapping: Pekka Hiltunen 2012; updated by Teemu Kõngäs 2026.

Terrain description

Several steep hill areas. The ground is stony in places.

Parking

Vesikkotie 65. Park in the Rönkkö parking area.

8. Rönkkö

VUOKATTI
2027

Available from

29 June 2026

Forking

No. Small control flags at the controls.

Training description

Long-distance course in hill terrain, 7 km.

Course setter

Teemu Kögäs

Map

1:10,000, contour interval 5 m. Mapping: Jussi Silvennoinen, Joni Korhonen and Teemu Kögäs 2024–2026.

Terrain description

Terrain used for Esi-Jukola and Porttivaara. Several hill and slope areas. In places, the forest is dense and slow, with steep and detailed slopes.

Parking

Vesikkotie 65. Park in the Rönkkö parking area.
